Gabe comes in during the attack and kills the creature, but Emerson is badly injured and at deaths door. This is a continuing series of the earth being invaded by aliens who want to take over. I must say all of the Hell Squad are hot, dangerous and lethal men. I totally love these books. Sci Fi romance at its best!

Gabe Scifi Alien Invasion Romance (Hell Squad Book 3)
To summarize, a reader wants a gritty, dark, and epic alien invasion science fiction romance. Presumably, the invaded planet is Earth. Possibly featuring an alien hero. And I'm guessing a story with at least a 50-50 SF to romance ratio—more romance than a romantic SF story would supply.

Sci Fi Romance with Nonhuman Aliens I get kinda annoyed by alien romance novels where the aliens look perfectly human. So I'd like to share and find more books where the main character is more than just out of this world.

Tags: Sci-Fi Romance, Post Apocalyptic, Aliens, Interracial, Standalone, No Cliffhanger I already loved the idea of Cruz and Santa as a couple from their brief interactions in the first book. After reading the excerpt at the end of MARCUS, which opened with Santha saving them once again, I one-clicked this right away.

Gabe is the third book in the Hell Squad series. Gabe is intense, driven, out for revenge, and unable to resist the peace and comfort that Doc Emerson brings. But as the fight against the aliens only gets tougher, will Gabe and Emerson learn to lean on each other with love, or is there too much stacked against them?
