across different industries in the new self-management paradigm. This pioneering work will help accelerate the coming of age of this new organizational model, which will gradually replace the current one.

Holacracy: The New Management System for a Rapidly ...

Holacracy is one such meta-structure — an end-to-end management system that gives each team a way to design its own structure, over time, based on whatever team members sense could be improved.

Holacracy. The New Management System for a Rapidly... | by ...

Holacracy is a revolutionary management system that redefines management and turns everyone into a leader. Holacracy distributes authority and decision-making throughout an organization, and defines people not by hierarchy and titles, but by roles. Holacracy creates organizations that are fast, agile, and that succeed by pursuing their purpose, not following a dated and artificial plan.

Holacracy Book - The New Management System That Redefines ...

Holacracy is a method of decentralized management and organizational governance, in which authority and decision-making are distributed throughout a holarchy of self-organizing teams rather than being vested in a management hierarchy. Holacracy has been adopted by for-profit and non-profit organizations in several countries.
