Baler Spares

I'll stand to be corrected any time but I think the 377 may have been a revised 376. We had a 376 at one time that was new in 1978. I think the yellow 9 series was introduced in the early 1980s

and were certainly produced at least until 1986, possibly later. The 940 had a similar p/u width to the 376 and 377. The 378 was a similar era to the other 3 series but had a wider p/u as did
