Racial and ethnic groups are designated by proper nouns and are capitalized. Therefore, use " Black " and " White " instead of " black " and " white " (do not use colors to refer to other human groups; doing so is considered pejorative). Likewise, capitalize terms such as " Native American, " " Hispanic, " and so on.

As a technical editor, you'd be wise to create a style guide for your writing group. A style guide is a time-saving resource that documents the guidelines for punctuation, capitalization, spelling and usage. Just those four categories may seem overwhelming at first — so much to be covered! But remember that a style guide is a living document; it's constantly updated, never truly finished.

Creating a Style Guide for Technical Documents-|Technical
A style guide is a central document that defines, exemplifies, and executes a brand ' s voice. Style guides define language preferences and tones as well as direct an organization ' s representatives to use the brand ' s style in specific ways, for specific outlets. The style guide may include details about:

Crafting an Effective Working Group-|by-Jessica-Harlee
Style guides (or brand bibles) contain all the necessary information to create whatever your company needs. Whether it be a website, advertisement, internal memo, or whatever else, this little document will make your life a breeze. So, if these guides are so important, why isn ' t everyone on the bandwagon? The biggest reason is time.

Create a visual style guide for your brand
On the Resource group blade, select Summary. Buttons, check boxes, and other options: Avoid talking about UI elements. Instead, describe what the customer needs to do. When you must refer to a button, check box, or other option, use bold formatting for the name. Use sentence-style capitalization unless you need to match the UI.

Formatting text in instructions-Microsoft-Style-Guide
A style guide defines every aspect of how you present your company to the public. As your business grows, the number of employees creating branded content will also grow. You might have different individuals managing your website, social media channels, and print marketing.
