and travel advice and expertise. Many peer-to-peer firms have been established after the global financial crisis of 2007/2008 where consumers needed to spend less and possibly as an antidote to previous overconsumption.

Travel and the Sharing Economy | WTM Global Hub

The Impact of the Sharing Economy on Modern Travel. Few concepts have revolutionized travel the way the sharing economy has. Virtually unheard of just a decade ago, the sharing economy is now a multi-billion dollar industry, even though home shares and hostels have been around for decades. When it comes to hospitality and transportation, a sharing economy means you can try one of the new forms of travel accommodations like car rides from Lyft and Uber or housing by Airbnb.

The Impact of the Sharing Economy on Modern Travel | TTS

Traveling doesn't have to break the bank. In fact, even without a full-time job, it's becoming increasingly affordable to travel the world due to the rise of travel trends and sharing economies. The rise in these sharing economies is thanks in no small part to technology. With the ease of booking a car or a room online or through an app, it's easier than ever to arrange peer-to-peer rentals.

How the Sharing Economy is Making Travel More Accessible ...

The travel sharing economy is a global phenomenon, host to some of the world's most famous peer-to-peer brands, such as Airbnb and Uber, causing major waves and challenging the legislative status quo. It's a love-hate relationship, as, on the one hand, consumers are enjoying the convenience and value for money of renting from peers, whilst ...

Travel and the Sharing Economy

The travel sharing economy is host to some of the world's most famous peer-to-peer brands like Airbnb and Uber. It's a love-hate relationship as consumers enjoy the convenience and price of renting from peers, whilst travel players have been caught on the back-foot by the speed of change. Faced with legislative challenges, the future of the sharing economy remains uncertain, however, we expect travel and retail heavyweights to enter the fray and add to the sector's legitimacy.

Travel and the Sharing Economy | Market Research Report ...

If the internet has made travel easy with the wealth of information on travel sites and social media platforms, the sharing economy is playing a fundamental role for the budget-conscious traveller who wants to save money and travel cheap. Thanks to community networks we connect and meet people, and we learn from the locals. Furthermore, it has changed the way we travel by making it a more ...
