Find helpful customer reviews and review ratings for Zen of Code Optimization: The Ultimate Guide to Writing Software That Pushes PCs to the Limit at Amazon.com. Read honest and unbiased product reviews from our users.

Amazon.com: Customer reviews: Zen of Code Optimization ...

Code Optimization Handout written by Maggie Johnson. Optimization is the process of transforming a piece of code to make more efficient (either in terms of time or space) without changing its output or side-effects. The only difference visible to the code 's user should be that it runs faster and/or consumes less memory.

Zen Of Code Optimization | calendar.pridesource

Michael Abrash is a software executive, programmer and technical writer specializing in code optimization and 80x86 assembly language, a reputation cemented by his 1990 book Zen of Assembly Language Volume 1: Knowledge and a monthly column in Dr. Dobb's Journal in the early 1990s. A later book, Zen of Graphics Programming, applied these ideas to 2D and 3D graphics prior to the advent of hardware accelerators for the PC. Though not strictly a game programmer, Abrash has worked on the underlying t
